

REPORT

1. KPI Cards - Key metrics performance:

- What is the total **Gross Merchandise Value (GMV)**?
- What is the current **Average Order Value (AOV)**?
- What is the **Month-over-Month (MoM)** growth?
- What is the **Year-over-Year (YoY)** growth?

2. Bar-line chart - Trend & Growth Analysis

- How has **GMV changed over time (by YearMonth)**?
- How has **AOV evolved over time**?
- Are revenue increases driven by higher volume or higher order value?
- Which months show peak or decline in performance?

3. Line chart - Seasonality Insights

- Is there a **seasonal pattern in performance**?
- Which months have the highest seasonal index?
- Which months underperform?
- Are there predictable spikes (e.g., end-of-year peak)?
